

Friends of Early Buddhist Teachings'

Sutta Study series

To Vacchagotta on the Three Knowledges

Mon 12 Feb, 7-8 pm (UK time)

You are warmly welcomed to this free Zoom Room.

We'll read and discuss MN 71, on the 3 knowledges that the Buddha describes as core to his awakened insight, clarifying this does not include omniscience.

This event is part of a sutta study series, looking at discourses of the Pāli Canon which are identified by G. Pande* as likely to be early. Donations can be made by PayPal to 'FriendsofEBT@gmail.com'.

The Zoom link is sent out through the FoEBT email list. You can join the list at www.FriendsofEBT.net, or on Facebook at 'Friends of Early Buddhist Teachings'.

* *Govind Chandra Pande, author of Studies in the Origins of Buddhism.*
